

Registration of Tenancy Information.

To help with the move-in process we have teamed up with Tenant Shop to streamline the registration process for your new property by notifying the local council, water supplier and your incumbent energy provider of your move.

We will use software supplied by Tenant Shop to notify all the necessary organisations that you have arrived and provide your contact information, moving in date and meter readings where applicable.

The reverse will happen when you move out.

I give you permission to notify the council, water suppliers and incumbent energy provider.
